We are thrilled to announce that the amazing Janelle Stalder has become a part of the shareAread Family!

***Praise for Janelle Stalder and Eden-South***

“Eden-South is jam packed with heart-stopping action, eye-watering emotion and breathtaking romance. I love this series and I will definitely read it over and over again, it is without a doubt a must-read for everyone.”

*Kayleigh Gore – K-Books*

“It was my favorite thus far in the series. Run out as soon as it's available! It's a great book, and series, for older and YA audiences alike!”

*Alana Rock – Dark Obsession Chronicles*

“It’s not often that you want more than to enjoy a book but to crawl in the page and experience it. This is it. The world building is fantastic. The cast is amazing. I’m surely in love with each of the guys in the book...This is just a full body cast. I haven’t met many authors who could write so many characters and you don’t feel cheated that you didn’t get enough of your favorite...The writing is phenomenal and spectacular world building and cast. You won’t be disappointed by this one. Those that love Hunger Games, Game of Thrones, and Divergent will surely enjoy this series.”

*Terri – My Book Boyfriend*

***About the Author***

Janelle Stalder was born and raised in Brampton, Ontario. At an early age she developed a love for literature. Her debut novel, Eden, was the first book in a series of four, released in September of 2011. The second book, Eden-West, was released in July of 2012, and the third book, Eden-South was released in March of 2013. The fourth book of the Eden Series, Eden-East, will be release at the end of 2013. She is a strong supporter of other indie authors, and loves to interact with her readers. When she’s not writing, Janelle is at home with her husband, two children, Aiden and Elora, and her two furry children, Alice and Lily. She now resides in the small town in Ontario in her old, possibly haunted, century home.

## The Eden Series

### Eden Synopsis:

Trapped within the cruel world of hormones and bullies, fifteen-year-old Aiden is convinced life has more to offer him. His instincts are proven correct on the night he is awakened by a voice calling to him from outside his window. As he sleepily peers into his yard, his eyes slowly focus on a woman who says she is there to take him to Eden. Aiden is about to fulfill the life purpose he never knew he had.

It is in Eden, a land on the brink of war, where Aiden will finally learn to trust himself and those around him. Accompanied by Wolf, his sidekick Logan, and the beautiful archer, Elisa, Aiden is soon thrust into a battle to save Eden. Meanwhile Elisa, the only girl in the King's Army, is in the midst of her own struggles. Betrothed to a man she has no intention of marrying, Elisa is caught between the need to prove herself and her desire for true happiness. And now that she has met Aiden, she is more confused than ever.

In this action-packed fantasy tale, romance, adventure, and intrigue surround Aiden as he learns just what he is capable of when he discovers confidence and courage.

## The Eden Series

### Eden-West Synopsis:

New beginnings, new conflicts, and new adventures arise in the second installment of the Eden Series, Eden-West.

Months after his initial journey to Eden, Aiden is learning to cope with his own transformation. His social status has changed, his friendship with his best friend Ethan is in jeopardy because of it, and worst of all, he has heard absolutely nothing from his new friends in Eden. What has become of the world he fell in love with? Are his friends safe? Is the war over? With no answers, and no hope for contact, Aiden decides to focus on his life in his world.

Just as he makes this decision, he encounters a familiar bright light and thinks he knows exactly what it means. Except the light isn't at all what he expects and neither is the person behind it. When Aiden returns to Eden, it is to a whole new part of that special world, and a whole new set of adventures.

Weeks after Aiden was returned to his own world, Elisa is sent to Nysa, the revered Southern city, to retrieve the one thing she'd rather avoid – Wolf. Captain Turk instructed her to get in and get out - but that is easier said than done. When she finds her missing friend, she also stumbles upon a great deal of trouble. This trouble goes by one name – Markus, the leader of the Sun People.

Follow all your favourite characters as they ready themselves for battle and fight for a world threatened to be destroyed.

## The Eden Series

### Eden-South Synopsis:

The betrayal that tore a family apart. Two brothers bent on destroying the other. A whole world on the brink of war.

Aiden has been through his second battle in the magical world of Eden. The victory is short lived and Aiden is sent racing toward his friends in the Capital. After being back in Eden with the Riders, he is eager to reunite with Wolf, Elisa and Logan, although he doesn't realize just what he's returning to. Surprises await him when he arrives in the Capital; his close-knit group of friends is slowly falling apart. On top of it all, another battle is just around the corner, one that will change everything.

Rain has made her choice, and now she is in some unknown fortress with the feared sorcerer, Aziz. She wants nothing more but to please him, but being his Queen isn't as easy as she thought. While trying to learn sorcery, and dealing with Aziz's advances, Rain is finding her new life a bit overwhelming. Just when she thought it couldn't get worse, she discovers a secret of Aziz's, and it is nothing she could have expected.

Rose has supported Callum throughout their journey, but now that the final battle is just around the corner she is faced with a hard reality. Everything she has gained with him could be taken away. Is she willing to live the rest of her life without him? Can she just stand by while he destroys everything, including himself? Will he ever be able to find peace? Will she?

In the third installment of the Eden Series fates will be decided, and the battle between brothers that has been a decade in the making will finally come to an end. Only one of them can be High King.

The battle starts now.
